RESOLUTION NO. 2023-11-____

**RESOLUTION OF THE BOARD OF DIRECTORS OF
THE INDY OAK TOD METROPOLITAN DISTRICT
ESTABLISHING REGULAR MEETING DATES, TIME, AND LOCATION, AND
DESIGNATING LOCATION FOR POSTING OF 24-HOUR NOTICES**

- A. Pursuant to Section 32-1-903(1.5), C.R.S., special districts are required to designate a schedule for regular meetings, indicating the dates, time and location of said meetings.
- B. Pursuant to Section 32-1-903(5), C.R.S., “location” means the physical, telephonic, electronic, or virtual place, or a combination of such means where a meeting can be attended. “Meeting” has the same meaning as set forth in Section 24-6-402(1)(b), C.R.S., and means any kind of gathering, convened to discuss public business, in person, by telephone, electronically, or by other means of communication.
- C. Pursuant to Section 24-6-402(2)(c)(I), C.R.S., special districts are required to designate annually at the board of directors of the district’s first regular meeting of each calendar year, the public place at which notice of the date, time and location of regular and special meetings (“**Notice of Meeting**”) will be physically posted at least 24 hours prior to each meeting (“**Designated Public Place**”). A special district is deemed to have given full and timely notice of a regular or special meeting if it posts its Notice of Meeting at the Designated Public Place at least 24 hours prior to the meeting.
- D. Pursuant to Section 24-6-402(2)(c)(III), C.R.S., special districts are relieved of the requirement to post the Notice of Meeting at the Designated Public Place, and are deemed to have given full and timely notice of a public meeting if a special district posts the Notice of Meeting online on a public website of the special district (“**District Website**”) at least 24 hours prior to each regular and special meeting.
- E. Pursuant to Section 24-6-402(2)(c)(III), C.R.S., if a special district is unable to post a Notice of Meeting on the District Website at least 24 hours prior to the meeting due to exigent or emergency circumstances, then it must physically post the Notice of Meeting at the Designated Public Place at least 24 hours prior to the meeting.
- F. Pursuant to Section 32-1-903(1.5), C.R.S., all meetings of the board that are held solely at physical locations must be held at physical locations that are within the boundaries of the district or that are within the boundaries of any county in which the district is located, in whole or in part, or in any county so long as the physical location does not exceed twenty (20) miles from the district boundaries unless such provision is waived.
- G. The provisions of Section 32-1-903(1.5), C.R.S., may be waived if: (1) the proposed change of the physical location of a meeting of the board appears on the agenda of a meeting; and (2) a resolution is adopted by the board stating the reason for which meetings of the

board are to be held in a physical location other than under Section 32-1-903(1.5), C.R.S., and further stating the date, time and physical location of such meeting.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Indy Oak TOD Metropolitan District (the “**District**”), Jefferson County, Colorado:

1. That the provisions of Section 32-1-903(1.5), C.R.S., be waived pursuant to the adoption of this Resolution.

2. That the Board of Directors (the “**District Board**”) has determined that conducting meetings at a physical location pursuant to Section 32-1-903(1.5), C.R.S., would be inconvenient and costly for the directors and consultants of the District in that they live and/or work outside of the twenty (20) mile radius requirement.

3. That regular meetings of the District Board for the year 2024 shall be held on _____ at _____, via Zoom.

4. That special meetings of the District Board shall be held as often as the needs of the District require, upon notice to each director.

5. That, until circumstances change, and a future resolution of the District Board so designates, the physical location and/or method or procedure for attending meetings of the District Board virtually (including the conference number or link) shall appear on the agenda(s) of said meetings.

6. That the residents and taxpaying electors of the District shall be given an opportunity to object to the meeting(s) physical location(s), and any such objections shall be considered by the District Board in setting future meetings.

7. That the District has established the following District Website, <https://indyoaktodmd.colorado.gov/>, and the Notice of Meeting of the District Board shall be posted on the District Website at least 24 hours prior to meetings pursuant to Section 24-6-402(2)(c)(III), C.R.S. and Section 32-1-903(2), C.R.S.

8. That, if the District is unable to post the Notice of Meeting on the District Website at least 24 hours prior to each meeting due to exigent or emergency circumstances, the Notice of Meeting shall be posted within the boundaries of the District at least 24 hours prior to each meeting, pursuant to Section 24-6-402(2)(c)(I) and (III), C.R.S., at the following Designated Public Place:

CERTIFICATION OF VALUATION

The Jefferson County Assessor reports a taxable assessed valuation for your taxing entity for 2023 of:

\$5,652,222

This certification may not reflect all changes from legislation, pending cases, or other known issues.

The breakdown of the taxable valuation of your property is enclosed.

Pursuant to Senate Bill 22-238 enacted by the Colorado General Assembly and signed by Governor Polis on May 16, 2022, the actual value of certain property types must be reduced for tax year 2023 under C.R.S. § 39-1-104 by varying amounts up to \$30,000 in actual value.

Please be advised that the software system used by Jefferson County is unable to accurately capture and reflect the recent legislative value reductions, and we understand that various other Colorado counties face a similar issue. As a result, the values shown on the August certifications do NOT reflect the value reductions required under SB22-238. That is, the adjustments/reductions have not yet been removed from the values currently certified. Once we successfully update our software systems to accurately capture and reflect the necessary value adjustments, the values that will be reflected in the certifications you will receive in December will likely change somewhat from those reflected in the August certifications. Please keep this information in mind when determining your budget estimates.

As further required by CRS 39-5-128(1), you are hereby notified to officially certify your levy to the Board of County Commissioners no later than December 15.

CRS 39-1-111(5) requires that this office transmit a notification by December 10 of any changes to valuation made after the original certification.

6. **ASSOCIATION OBLIGATIONS.** Association agrees to perform all obligations required of Association pursuant to the terms and conditions of this Agreement, including, but not limited, the following:
- a. Association shall timely update WM in the event the total number of units (i.e., the total house count eligible to receive WM's services) increases from the Unit Count set forth in the Service Summary. WM will use the updated Unit Count total in its next invoice to Association. WM has no responsibility for any incorrect Unit Counts provided by Association, but has the right, in its discretion, to verify the Residential Unit count information provided by Association. Association agrees that if Association's community is fully constructed, the Unit Count will be fixed for the Contract Term and Association will not be entitled to any credits or Unit Count deductions if there are any temporary or permanent vacancies.
 - b. Association assumes full responsibility for informing current and future residents of this Agreement.
 - c. Association shall timely inform WM of complaints made by Customers and shall work with WM in good faith to resolve any Customer service issues.

 - g. Association shall pay WM the Charges for the Services, including additional Charges for additional Services provided by WM as described in Section 8(a).

7. **TERMINATION RIGHTS.** Notwithstanding the foregoing, this Agreement can be terminated prior to the end of the Initial Term, or a Renewal Term, as follows:

- a. by Association (with no obligation to pay liquidated damages as provided in Section 11), (i) if WM fails to satisfy the Service Guarantee provided in Section 4 or (ii) pursuant to Section 8(c) if WM increases the Charges payable by Association hereunder with a Consensual Price Increase;
- b. by Association with thirty (30) days prior written notice to WM, subject to Association's obligation to pay liquidated damages as provided in Section 11 no later than thirty (30) days after written notice of termination;
- c. by WM, (i) if as a result of Association's breach of Section 9 or of Association's failure to pay, WM suspends Services for more than fifteen (15) days, or (ii) if Association fails to cure any other breach of its obligations under this Agreement within five (5) business days of its receipt of written demand from WM to cure such breach;
- d. by WM, with at least fifteen (15) days prior written notice to Association, any time after Association retains, designates or appoints a broker or agent to act for Association, or manage its Services, under this Agreement; and,
- e. by WM, with at least thirty (30) days prior written notice to Association, for any reason if WM determines that such termination in its best interest.

In order to move containers in a safe, secure and orderly fashion, WM shall have up to fourteen (14) days to remove any containers and equipment from Association's service location(s) after the effective date of the termination of this Agreement.

8. (a) **CHARGES; ADDITIONAL SERVICES; CHANGES.** The initial charges, fees and other amounts payable by Association ("Charges") for Services and/or equipment furnished by WM are set forth on the Service Summary. WM also reserves the right to charge Association additional Charges for additional Services provided by WM to Association, whether requested or incurred by Association, including, but not limited to container relocation or removal; gate, enclosure or roll out services; account resume or reactivation services; extra pickups or trip charges; Contamination Charge; Overage Charge and overflows; and equipment repair and maintenance (see www.wm.com/billhelp for a list of "Additional Services", which may be updated from time to time), all at such standard prices or rates that WM is charging its Associations in the service area at such time. Changes in the frequency of collection, collection schedule, number, capacity and/or type of equipment, the terms and conditions of this Agreement, and any changes to the Charges payable under this Agreement (including any Consensual Price Increase or Negotiated Price Adjustment), may be agreed to orally, in writing or by other actions and practices of the parties, including, without limitation, electronic or online acceptance or payment of the invoice reflecting such changes, and written notice to Association of any such changes, and Association's failure to object to such changes, which shall be deemed to be Association's affirmative consent to such changes.

(b) **PERMITTED PRICE INCREASES.** WM reserves the right, and Association acknowledges that it should expect WM to increase or add Charges payable by Association hereunder during the Contract Term: (i) for any changes or modifications to, or differences between, the actual equipment and Services provided by WM to Association and those specified on the Service Summary; (ii) for any changes or difference in the composition, amount or weight of the Waste Materials collected by WM from Association's service location(s) from what is specified on the Service Summary (including for container overages or overflows); (iii) for any increase in or other modification made by WM to the Fuel Surcharge, Regulatory Cost Recovery Charge, Recyclable Materials Offset, Environmental Charge, and/or any other Charges included or referenced in the Service Summary (which Charges are calculated and/or determined on enterprise-wide basis, including WM and all Affiliates); (iv) to cover any increases in disposal, processing, and/or transportation costs, including fuel surcharges; (v) to cover increased costs due to uncontrollable circumstances, including, without limitation, changes (occurring from and after three (3) months prior to the Effective Date) in local, state, federal or foreign laws or regulations (or the enforcement, interpretation or application thereof), including the imposition of or increase in taxes, fees or surcharges, or acts of God such as floods, fires, hurricanes and natural disasters; and (vi) for increases in the Consumer Price Index ("CPI") for Water, Sewer and Trash Collection Services published by U.S. Bureau of Labor Statistics, or with written notice to Association, any other national, regional or local CPI, with such increases in CPI being measured from the Effective Date, or as applicable, Association's last CPI based price increase date ("PI Date"). Increases to Charges specified in this Section 8(b) may be applied singularly or cumulatively and may include an amount for WM's operating or profit margin. Association acknowledges and agrees that any increased Charges under this Section 8 (including any Consensual Price Increases or Negotiated Price Adjustments) are not represented to be solely an offset or pass through of WM's costs.

(c) **CONSENSUAL PRICE INCREASES.** Without limiting the foregoing, WM also reserves the right to seek, and Association acknowledges that it should expect WM to seek, increases in the Charges payable by Association hereunder for reasons not specifically permitted in Section 8(b) (a "Consensual Price Increase"). If Association does not accept the Consensual Price Increase, Association's sole right and remedy shall be to terminate this Agreement by written notice to WM no later than thirty (30) days after WM notifies Association of such Consensual Price Increase. Association's failure to terminate this Agreement (within the 30-

day period) shall be construed as Association's acknowledgement that the continuation of the Services by WM hereunder is good, valuable and sufficient consideration for the Consensual Price Increase. Notwithstanding the foregoing, the parties may, but are not obligated to, agree to a different increase or adjustment to Association's Charges (a "Negotiated Price Adjustment") as a result of a Consensual Price Increase. Absent a Negotiated Price Adjustment, the Consensual Price Increase shall be binding and enforceable against Association under this Agreement unless Association terminates this Agreement (within the 30-day period) as described above. Association's agreement to a Consensual Price Increase or Negotiated Price Adjustment may be evidenced pursuant to Section 8(a) and the parties agree that this Agreement with such modified Charges will continue in full force and effect.

9. INVOICES; PAYMENT TERMS. WM shall send all invoices for Charges incurred by Association and any required notices to Association under this Agreement to Association's billing address specified in the Service Summary, unless Association elects to be billed or receive notices electronically or by e-mail. WM shall invoice Association based on the Unit Count, regardless of how many Units utilize the Services. Association shall pay all invoiced Charges within thirty (30) days of the invoice date. Any Association invoice balance not paid within thirty (30) days of the date of invoice is subject to a late charge, and any Association check returned for insufficient funds is subject to a non-sufficient funds charge, both to the maximum extent allowed by applicable law. Association acknowledges that any late charge charged by WM is not to be considered as interest on debt or a finance charge, and is a reasonable charge for the anticipated loss and cost to WM for late payment. If payment is not made when due, WM retains the right to suspend Services, in whole or in part, until the past due balance is paid in full. In addition to full payment of outstanding balances, Association shall be required to pay a reactivation charge to resume suspended Services. If Services are suspended for more than fifteen (15) days, WM may immediately terminate this Agreement, in whole or in part, for default and recover any equipment and all amounts owed hereunder, including liquidated damages under Section 11.

10. EQUIPMENT, ACCESS. All equipment furnished by WM shall remain its property; however, Association shall have care, custody and control of the equipment and shall be liable for all loss or damage to the equipment and for its contents while at Association's service location(s). Association shall not overload, move or alter the equipment or allow a third party to do so, and shall use it only for its intended purpose. At the termination of this Agreement, WM's equipment shall be in the condition in which it was provided, normal wear and tear excepted. WM may suspend Services or terminate this Agreement in the event Association violates any of the requirements of this provision. Association shall pay, if charged by WM, any additional Charges, determined by WM in its sole discretion, for overloading, moving or altering the equipment or allowing a third party to do so, and for any service modifications caused by or resulting from Association's failure to provide access. Association warrants that Association's property is sufficient to bear the weight of WM's equipment and vehicles and agrees that WM shall not be responsible for any damage to Association's pavement or any other surface resulting from the equipment or Services.

11. LIQUIDATED DAMAGES. In the event Association terminates this Agreement prior to the expiration of the Initial or Renewal Term for any reason other than as set forth in Section 7(a), or in the event WM terminates this Agreement for Association's default pursuant to Section 7(c), Association shall pay the following liquidated damages in addition to WM's legal fees, if any: (a) if the remaining Contract Term (including any applicable Renewal Term) under this Agreement is six (6) or more months, Association shall pay the average of its six (6) monthly Charges immediately prior to default or termination (or, if the Effective Date is within six (6) months of WM's last invoice date, the average of all monthly Charges) multiplied by six (6); or (b) if the remaining Contract Term is less than six months, Association shall pay the average of its six (6) most recent monthly Charges multiplied by the number of months remaining in the Contract Term. Association acknowledges that the actual damage to WM in the event of Association's early termination or breach of contract is impractical or extremely difficult to fix or prove, the foregoing liquidated damages amount is reasonable and commensurate with the anticipated loss to WM resulting therefrom, and such liquidated damages payment is an agreed upon charge for Association's early termination or breach of contract and is not imposed as a penalty. Association shall also pay liquidated damages of \$100 for every Association waste tire that is found at any disposal facility used by WM. In addition to and not in limitation of the foregoing, WM shall be entitled to recover all losses, damages and costs, including attorneys' fees and costs, resulting from Association's breach of any other provision of this Agreement in addition to all other remedies available at law or in equity.

12. INDEMNITY. WM agrees to indemnify, defend and save Association and its Affiliates harmless from and against any and all liability which Association or its Affiliates may suffer, incur or pay as a result of any bodily injuries (including death), property damage or violation of law, to the extent caused by any negligent act or omission or willful misconduct of WM or its employees, which occurs (a) during the collection or transportation of Association's Waste Materials, or (b) as a result of the disposal of Association's Waste Materials in a facility owned by WM or an Affiliate, provided that WM's indemnification obligations will not apply to occurrences involving Excluded Materials. Association agrees to indemnify, defend and save WM and its Affiliates harmless from and against any and all liability which WM and its Affiliates may suffer, incur or pay as a result of any bodily injuries (including death), property damage or violation of law to the extent caused by Association's breach of this Agreement or by any negligent act or omission or willful misconduct of any of the Customers or Association or its employees, agents or contractors or any Customer or Association's use, operation or possession of any equipment furnished by WM. Neither party shall be liable to the other for consequential, incidental or punitive damages arising out of the performance or breach of this Agreement.

13. RIGHT TO PROVIDE COMPETING OFFERS. If Association receives an offer from (or makes any offer to) a third party relating to such third party's provision to Association of the same or similar Services to those provided hereunder, Association shall give WM prompt written notice of any such offer and a 15-day period to respond to such third party offer prior to Association agreeing to such third-party offer. The Parties agree that Section 13 does not obligate WM to respond to or match any such offer and that Association's termination of this Agreement after receiving a competing offer will be pursuant to Section 7(b).

14. DISPUTE RESOLUTION-ARBITRATION AGREEMENT AND CLASS ACTION WAIVER BINDING ARBITRATION: Except for those claims expressly excluded below (EXCLUDED CLAIMS), Association and WM agree that any and all existing or future controversy or claim between them arising out of or related to this Agreement or any prior agreements between the parties, whether based in contract, law or equity or alleging any other legal theory, or arising prior to, in connection with, or after the termination of this Agreement or any other agreements, shall be resolved by mandatory binding arbitration (see www.wm.com for details on arbitration procedures). CLASS ACTION WAIVER: Association and WM agree that under no circumstances, whether in arbitration or otherwise, may Association bring any claim against WM, or allow any claim that Association may have against WM to be asserted, as part of a class action, on a consolidated or representative basis or otherwise aggregated with claims brought by, or on behalf of, any other entity or person, including other Associations of WM. EXCLUDED CLAIMS: The following are not subject to mandatory binding arbitration: (a) either party's claims against the other in connection with bodily injury or real property damage and for environmental indemnification; and (b) WM's claims against Association for collection or payment of Charges, damages (liquidated or otherwise) or any other amounts due or payable to WM by Association under this Agreement or any prior agreements between the parties, but Association and WM may mutually agree to arbitrate any Excluded Claims.

15. MISCELLANEOUS. (a) Except for the obligation to make payments hereunder for Services already performed, neither party shall be in default for its failure to perform or delay in performance caused by events or significant threats of events beyond its reasonable control, whether or not foreseeable, including, but not limited to, strikes, labor trouble, riots, imposition of laws or governmental orders, fires, acts of war or terrorism, acts of God, and the inability to obtain equipment, and the affected party shall be excused from performance during the occurrence of such events. (b) This Agreement shall be binding on and shall inure to the benefit of the parties hereto and their respective successors and assigns. (c) The terms, conditions and disclosures set forth on www.wm.com related to billing, charges, dispute resolution and for those Associations that sign up for electronic billing and payment, WM ezPay or Autopay, are incorporated by reference and made a part hereof (as such terms, conditions and disclosures may be changed or modified from time to time, effective from such change or modification). In addition to, and not in limitation of, the foregoing, the terms and provisions of this Agreement may be amended and modified as agreed to by the parties as provided in Section 8(a). Subject to the foregoing, this Agreement represents the entire agreement between the parties and supersedes any and all other agreements for the same Services at the same Association locations covered by this Agreement, whether written or oral, that may exist between the parties. (d) This Agreement shall be construed in accordance with the law of the state in which the Services are provided. (e) All written notification to WM required by this Agreement shall be effective upon receipt and delivered by Certified Mail, Return Receipt Requested, courier or by hand to WM's address on the first page of the Service Summary, provided that WM may provide written notice to Association of a different address for written notice to WM. (f) If any provision of this Agreement is declared invalid or unenforceable, then such provision shall be severed from and shall not affect the remainder of this Agreement; however, the parties shall amend this Agreement to give effect, to the maximum extent allowed, to the intent and meaning of the severed provision. (g) In the event WM successfully enforces its rights against Association hereunder, Association shall be required to pay WM's attorneys' fees and court costs. (h) Notwithstanding the termination of this Agreement, Sections 10, 11, 12, 13, 14 and 15 and Association's obligation to make payments for all Charges and other amounts due or payable hereunder through the termination date shall survive the termination of this Agreement. (i) It is expressly agreed that the parties shall be independent contractors and that the relationship between the parties shall not constitute a partnership, joint venture, agency, or employer-employee relationship. (j) The term "Affiliate" means with respect to any specified party, any corporation, limited liability company, partnership or other legal entity, directly or indirectly, controlled by, controlling or under common control with such specified party, with "control" meaning, directly or indirectly, the power to direct or cause the direction of the management and policies of such legal entity, whether through the ownership of voting securities, by contract or otherwise. (k) "business day" means Monday through Friday, excluding bank holidays. (l) If this Agreement is entered into before control of Association is transferred from the developer to the residents, this Agreement shall be binding on Association after the transfer of such control.
